Celebal Summer Internship

Screen 1. Dashboard

Welcome to the CSI Dashboard! Here's a brief overview of what you'll find:

- 1. Course Progress:** View details about your enrolled courses, including start and end dates, and current progress.
- 2. Pending Task & Assignment Updates:** Stay informed about pending assignments and tasks.
- 3. Notice Board:** Stay updated with important notices and events from Celebal.
- 4. General Files:** Access essential documents for your CSI journey, including the Data Dictionary, User Manual, Guidelines, and Company Newsletter.

This dashboard provides you with everything you need to navigate your CSI journey effectively.

The screenshot displays the CSI Dashboard interface. On the left is a dark sidebar with the Celebal Technologies logo and links to Dashboard, Course, Project, Help & Support, and Achievements. The main area has a light background with a welcome message: "Welcome to CSI" and "Good afternoon Jaanvi Jain". It features a progress bar for a Node.js course (8/12) and a section for pending assignments and projects. On the right is a notice board with a holiday notice and a general files section with document previews.

1. Course Progress: Node.js LP_001 App Development
Start Date: Monday, 28 June 2021 End date: Monday, 28 July 2021
Total Topics: 12 Current week: 3rd week

2. Pending assigned Project and assignment
Illustrator Assignment (3 hours left)
Illustrator Project (3 days left)
Illustrator Assignment (3 days left)

Screen 2. Course Enrolled

This screen displays the curriculum for the domain you selected for your CSI Internship. Click on a course to view more details.

The screenshot shows a user interface for managing a learning path. On the left is a dark sidebar with a red logo and the text 'CELEBAL TECHNOLOGIES'. The sidebar has five items: 'Dashboard' (home icon), 'Course' (book icon, currently selected), 'Project' (briefcase icon), 'Help & Support' (person icon), and 'Achievements' (trophy icon). To the right, the main area is titled 'Learning Path Enrolled | UI/UX Design'. A green dashed box highlights a card for 'UI & Figma Fundamentals' under the 'App Development' domain. The card includes an 'Active' status indicator. It lists 'Progress: 20%' and 'Start Date: 01/09/12' on the left, and 'Current Week: 01' and 'Expected end date: 31/12/2023' on the right. In the top right corner of the main area, there is a small circular profile picture of a person.

UI & Figma Fundamentals	
App Development	Active
Progress	Current Week
20%	01
Start Date	Expected end date
01/09/12	31/12/2023

Screen 2.1. Course Enrolled

The course content is divided into weekly modules. Each week, a new set of course materials will be unlocked automatically. Within each course, you'll find videos, documents, and assignments corresponding to the topics covered. When you are done with that content click on "mark as complete".

The screenshot shows a user interface for a course titled "UI/UX Course" on the "CELEBAL TECHNOLOGIES" platform. The left sidebar has a dark theme with white icons and text, showing navigation options: Dashboard, Course (selected), Project, Help & Support, and Achievements. The main content area has a light background. At the top, it says "User experience careers" with a "Mark as Complete" button highlighted by a green dashed box. Below this is a section titled "Introduction" with a detailed paragraph about UX's importance. Underneath is "Understanding the Essence of User Experience" with a paragraph about enhancing user satisfaction. The final section is "Essential Skills for a UX Career" with a bulleted list of five skills: User Research, Information Architecture, Interaction Design, and Prototyping. On the right side, there is a vertical "Course Content" sidebar with a header "Course Content" and a list of weeks: Week 1 - User Experience Design Intro, Week 2 - Design for a good user experience, and Week 3 - The product development life cycle. Each week item has a small dropdown arrow icon.

User experience careers

Mark as Complete

Introduction

In today's rapidly evolving digital landscape, user experience (UX) has emerged as a critical component for the success of any product or service. As businesses recognize the importance of delivering seamless and enjoyable interactions, the demand for professionals in the field of UX is skyrocketing. If you're considering a career in UX, this guide will help you navigate the diverse opportunities and provide insights on how to carve your path in this exciting field.

Understanding the Essence of User Experience

Before delving into specific career paths, let's grasp the essence of user experience. At its core, UX is about enhancing user satisfaction by improving the usability, accessibility, and pleasure provided in the interaction between a user and a product. This can encompass anything from websites and mobile apps to physical products and beyond.

Essential Skills for a UX Career

To thrive in the world of UX, certain skills are indispensable:

- User Research: Proficiency in conducting user research to understand user behaviors, needs, and pain points is crucial. This involves techniques such as interviews, surveys, and usability testing.
- Information Architecture: The ability to organize and structure information in a way that makes sense to users is a fundamental skill. This includes creating wireframes and sitemaps.
- Interaction Design: Crafting intuitive and aesthetically pleasing interfaces is a key aspect of UX. Interaction designers focus on creating engaging user experiences through elements like buttons, navigation, and visual hierarchy.
- Prototyping: Translating ideas into tangible prototypes helps test and iterate designs efficiently. Familiarity with prototyping tools is a valuable skill for UX professionals.

Course Content

- Week 1 - User Experience Design Intro
- Video : Welcome to week 1 4 mins
- Video : Welcome to week 1 4 mins
- Reading: User experience careers 52 mins
- Week 2 - Design for a good user experience
- Week 3 - The product development life cycle

Screen 3. Project Management

Here, you can track your project progress

The screenshot shows the 'Project Management' screen of the Celebal Technologies platform. On the left is a dark sidebar with the 'CELEBAL TECHNOLOGIES' logo at the top. Below the logo are five menu items: 'Dashboard', 'Course', 'Project' (which is highlighted with a blue background), 'Help & Support', and 'Achievements'. The main content area has a light gray header with the text 'Project Management'. Below the header, there is a section titled 'Project' containing a card for 'UI Element Design'. The card has a green dashed border around its title and a small 'View' button in the bottom right corner. In the top right corner of the main content area, there is a user profile icon with a red notification badge showing the number '3'.

Screen 3.1. Project Management

By clicking on the "View Task" button, you can access the rating provided by your mentor for the specific task.

The screenshot shows a mobile application interface for 'CELEBAL TECHNOLOGIES'. The left sidebar has a dark background with white icons and text: 'Dashboard' (house), 'Course' (book), 'Project' (list), 'Help & Support' (person), and 'Achievements' (trophy). The 'Project' item is highlighted with a blue bar at the bottom. The main content area is titled 'Project Management' and shows a use case for 'UI Element Design'. It includes a back arrow, the title 'UI Element Design', and a 'View Task' button with a green dashed border and a red '3' notification badge. The 'View Task' button is highlighted with a green dashed box. Below the title, there are sections for 'Use Case:', 'Scenario:', 'Preconditions:', 'Postconditions:', and 'Main Flow:', each containing a bulleted list of steps. At the top right of the main screen, there is a user profile icon with a red '3' badge and a small circular icon with a person's face.

Project Management

← UI Element Design

Use Case:

Scenario:
Imagine a user, Sarah, who wants to purchase a pair of shoes from an online e-commerce platform.

Preconditions:

- Sarah has an account on the e-commerce platform.
- The shoes are already in her shopping cart.

Postconditions:

- Sarah receives an order confirmation.
- The shoes are removed from her cart.
- Payment is processed successfully.

Main Flow:

- Sarah logs into her account.
- She navigates to her shopping cart.
- Sarah proceeds to the checkout page.
- She reviews her order and ensures the correct size and color.
- Sarah enters her shipping details.
- She selects a payment method (credit card).
- Sarah enters her payment information.
- She reviews the order summary and clicks "Place Order."

View Task

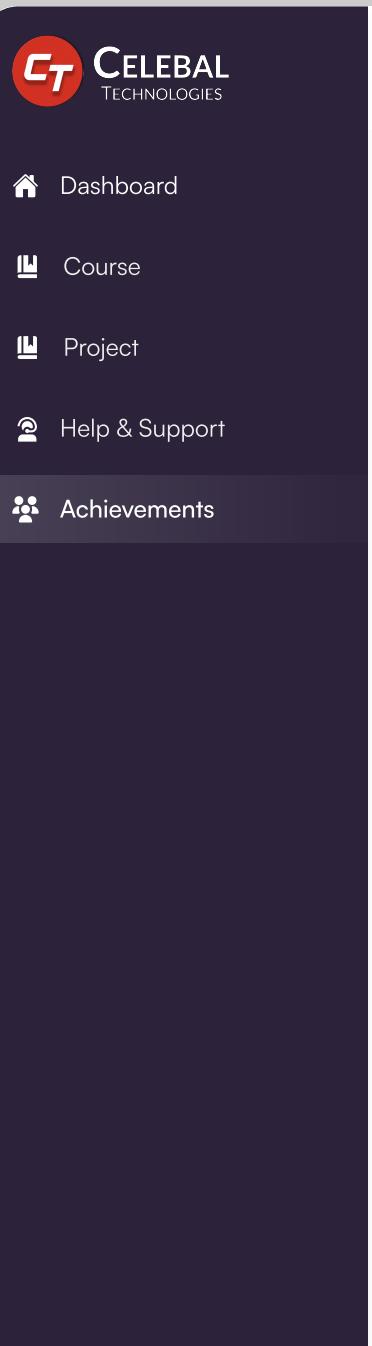

Screen 4. Help & Support

Under the "Help & Support" section, you'll find general FAQs to address common queries.

The screenshot shows the 'Help & Support' section of a web application. On the left is a dark sidebar with the 'CELEBAL TECHNOLOGIES' logo at the top. Below the logo are five menu items: 'Dashboard', 'Course', 'Project', 'Help & Support' (which is highlighted with a purple background), and 'Achievements'. To the right of the sidebar is a white content area with a header 'Help & Support'. Below the header is a purple box containing the question 'How do I enroll in a course?'. A small 'x' icon is in the top right corner of this box. To the right of the purple box is a small circular profile picture of a man. Below the purple box is a gray text area stating: 'Your designated HR contact will provide you with the necessary ID credentials, and your courses will be seamlessly integrated automatically.' To the right of this text are three downward-pointing arrows. Below this are several other questions listed in gray text, each preceded by a small downward-pointing arrow: 'What should I do if I forget my password?', 'How to navigating the Dashboard ?', 'Troubleshooting and Technical Issues', 'Browser Compatibility', 'Video Playback Issues', 'How do I get help if I encounter technical issues with the platform?', and 'How can I stay informed about platform updates and new features?'. The entire content area has a thin gray border.

Screen 5. Achievements

Access to the offer letter will be provided upon selection.

The screenshot shows the Celebal Technologies platform interface. At the top left is the company logo and name. On the left side, there's a vertical navigation menu with options: Dashboard, Course, Project, Help & Support, and Achievements. The 'Achievements' option is highlighted with a blue background. To the right of the menu is a large white area titled 'Achievements'. Below this title are two tabs: 'Offer Letter' (which is selected) and 'Certificate'. The main content area displays a template for an 'Offer Letter'. It includes the company logo at the top, followed by contact information: CIN : U72900RJ2016PTC056190, +91-8905993615, enterprisesales@celebattech.com, and www.celebattech.com. There are fields for 'Date-' and 'To'. The subject line is 'Subject- Summer Internship Offer Letter' and the recipient is 'TO WHOMSOEVER IT MAY CONCERN'. The letter body starts with 'Dear (Candidate Name).'. It states: 'On behalf of Celebal Technologies, we are excited to confirm your selection as a Summer Intern under the (Domain Name) Department From [Date] to [Date]. We were impressed with your technical skills and knowledge during the assessment process, and we believe that you will be a valuable addition to our team.' It continues: 'Celebal Technologies takes pride in providing this exceptional opportunity to young tech enthusiasts like you to make them industry-ready. Your internship will give emphasis on learning new skills with deeper understanding of concepts through hands-on application of the Industrial knowledge which you will gain as a Summer Intern.' A note follows: 'Please note that as a temporary employee, you will not be eligible for any of the employee benefits, and you will not receive any stipend during your internship.' It also says: 'This offer letter represents the full extent of the Internship Offer. Please review this letter in full and give acknowledgement.' A section for 'Rewards & Benefits' lists: 1. Certificate of Internship, 2. Webinar with Industry Experts, and 3. Industry Visits. Another section for 'Perks' lists: 1. Flexible working hours from Monday to Saturday, 2. Expand your network, 3. Boost your resume, and 4. Avail college degree credits. A footer note says: 'We look forward to a worthwhile and fruitful association which will make you equipped for future projects, wishing you the most enjoyable and truly meaningful Summer Internship Program experience.' At the bottom right of the page is a purple button labeled 'Download PDF' with a downward arrow icon.
